

LIQUID SHOES POLISH

London Shine Liquid Shoe Polish is a superior product that rejuvenates and safeguards leather shoes. Its wax and lanolin composition offers fast drying. Not recommended for use on suede or fabric shoes.

EXPRESS SHOE SPONGE

Experience effortless leather care with London Shine Express Shoe Sponge. Impregnated with silicone fluid, it prevents leather from cracking and keeps it soft. Our sponge is easy to use, with no mess or fuss, making it the perfect solution for those who value convenience and quality. Trust London Shine to keep your leather products looking and feeling their best.

PLASTIC - WAX SHOE POLISH

LONDON SHINE Shoe Polish is a superior blend of fine waxes, providing unparalleled protection and conditioning to leather products. Its high-performance formula creates a deep, lustrous shine, while also offering antimicrobial and antifungal properties to prevent the growth of bacteria and fungus on leather. Trust London Shine to keep your leather products looking and feeling their best.

TIN - WAX SHOE POLISH

This premium leather care product cleans, replenishes, and protects shoe leather with a specially formulated solution that enhances natural color and provides exceptional water resistance and shine.

London Shine Wax Shoe Polish also helps prevent scratches and water damage, ensuring your shoes last longer and look great.

SNEAKER FOAM CLEANER

Effortlessly clean your sneakers and casual shoes with London Shine Sneaker Foam Cleaner. Our powerful foaming solution is surprisingly effective, leaving your shoes looking like new for longer. With a refreshing fragrance, our cleaner not only cleans efficiently but also nourishes your shoes, ensuring they remain in top condition. Trust London Shine to provide the ultimate care for your sneakers and casual shoes.

SUEDE & NUBUCK RENOVATOR

London Shine's advanced formula restores the color of suede and Nubuck while providing a powerful brightening effect, giving your shoes a fresh and vibrant look after each spray. Our formula is safe, environmentally friendly, ensuring that your shoe care routine is not only effective but also sustainable.

SHOE BRUSH

High-quality shoe brush made of 100% horse hair/ PP bristles. It is designed to gently remove dust and dirt from your shoes and to apply polish evenly. For best results, use it with any Wax Shoe Polish of London Shine, a trusted brand that offers outstanding shining and protection for your leather Shoes.
